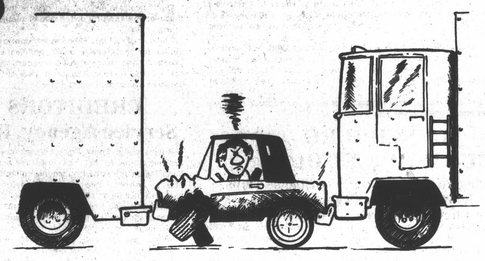
SHOP APPOMATTOX COUNTY

Shopping In Big Cities Can Be Hazardous . . . To Your Health AND Your Wealth!



Fighting dangerous traffic on the way to, and in, the big city is no fun . . . and it costs nearly 45¢ per mile at today's gas prices!

You risk life and limb while driving, and even as a pedestrian crossing the city's over-loaded streets.

To make matters worse, when you get home you'll often discover you could have spent less on your purchases by buying at home!

Then, if you need service or an adjustment on what you bought, your local stores, which you trade in or visit almost every day, are far more likely to be concerned about keeping you happy with your purchases than big city stores.
